

SDG Mapping Report

Project Title: Shelter Souls

SDG No.	SDG Title	Contribution Description	Impact Level
1	End poverty in all its forms everywhere	Provides emergency support and shelter to disaster-affected victims, reducing hardship.	High
3	Ensure healthy lives and promote wellbeing for all at all ages	Ensures timely medical assistance and wellbeing support for victims during emergencies.	Medium
11	Make cities and human settlements inclusive, safe, resilient and sustainable	Enhances community resilience by connecting victims with nearby NGOs and improving response.	Low

Level of Project:

- **Community-level project**, targeting local disaster response and support systems for victims.

Role of SDGs in the Project:

- **SDG 11 (High Impact):** Improves emergency coordination and community resilience by connecting victims to shelters and NGOs efficiently.
- **SDG 3 (Medium Impact):** Supports health and wellbeing by providing timely access to relief and medical services.
- **SDG 1 (Low Impact):** Reduces immediate hardship by offering temporary shelter and emergency assistance.
